LEARNING IN THE LAP OF NATURE

The Eco Club of Bharatiya Vidya Bhavan, Koyilandy Kendra organized an educational field trip to Viyyur on 9th January 2026 for the students of Classes V and VI. The visit aimed to explore paddy fields that were ready for harvest.

The trip offered students a valuable opportunity to observe paddy crops closely and understand the harvesting process in a real-life setting. The children eagerly interacted with nature, learned about farming practices, and gained firsthand knowledge of the importance of agriculture. The visit was both educational and enjoyable, creating lasting and meaningful learning experiences for the students.

WORKSHOP FOR TEACHERS

The school organized a workshop titled “AI-Enhanced Learning: Unlocking Potential, Inspiring Minds” for teachers on 10th January 2026. The session was conducted by Mr. Shajal Kakkodi.

The workshop was highly informative and well-structured. The resource person explained the concepts in a clear, step-by-step manner, making them easy to understand. Real-life examples were effectively used to enhance learning and keep the participants engaged throughout the session. By presenting familiar applications from a fresh perspective, the workshop broadened our understanding of AI in education. The four-hour session was productive and passed smoothly. Overall, it was an excellent and enriching learning experience for all the teachers.

GK OLYMPIAD GOLD MEDAL WINNERS

Our students delivered an excellent performance in the GK Olympiad examination. Athmika, Ashwanth Vivek, and Aethen A S of Class IV were awarded the Gold Medal of Excellence for their outstanding achievement. Their success reflects their strong knowledge, dedication, and enthusiasm for learning.

EXPLORING THE FUTURE: HIGH SCHOOLERS DIVE INTO AI

Our school recently organized a session on Artificial Intelligence for our high school students on 30th January 2026, providing them with a unique opportunity to explore the world of AI. The session featured experts Mr Deepak Sugathan and Mr JijuKeezhkombath, who shared their insights on the trends, skills, and opportunities in this rapidly growing field.

The students gained valuable knowledge on the endless possibilities of a career in AI, including top careers like Machine Learning Engineer, Data Scientist, and AI Research Scientist. The experts also highlighted the key skills required to succeed in AI, such as programming languages like Python and data analysis.

The session was a huge success, thanks to our visionary speakers and curious minds. Kudos to everyone involved for making it a power-packed session!

SCHOOL ORGANIZED TOUR A HUGE SUCCESS!

Our school recently organized a fun-filled tour for various class groups, and it was a resounding success! The students had an amazing time exploring new places and making unforgettable memories.

- Class LKG to Class 2: The little ones visited Gokulam MallPlayaza on 30th January 2026, where they enjoyed a day of shopping, games, and entertainment.

- Class 3, 4 & 5: The students headed to Nilambur on 31st January 2026, where they experienced the beauty of nature and had a blast.

- Class 6 & 7: The older students explored Ernakulam on 31st January 2026, discovering its rich history, culture, and attractions.

The tour was a great way to foster camaraderie, learning, and adventure among the students. We're thrilled to see our children enjoying themselves and creating lifelong memories
